REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Blacksburg Middle School has completed another successful school year. Ten eighth grade students were recognized as Junior Scholars. One eighth grade student received state recognition in the Duke University Talent Search. Forty-seven students took the end-of-course test in Algebra and all students passed. Students took MAP a minimum of two times this school year and many showed significant progress. We continue to use test data to monitor student achievement.

This was the second year that we implemented a school-wide science lab, which was instructed by Kelly Davis.

Our school offered the Community In Schools Program for students to receive additional instruction in curricular areas and character education.

BMS implemented school-wide Positive Behavioral Intervention and Support (PBIS) for the fourth year.

Pam Clark was named the Teacher of the Year and Barbara Cope received the Distinguished Teacher of Reading award. Kelly Davis holds National Board Certification. PTO encourages 100% student attendance by offering a free trip to Carowinds at the end of the school year. Additionally, PTO encourages exemplary behavior by rewarding students quarterly with a trip to get ice cream. We appreciate the efforts and contributions of our supportive PTO.

Blacksburg Middle School is Setting the Standard. We are working diligently to follow the 5R's: Respect, Responsible, Relationships, Ready, Reliable.
